FOR IMMEDIATE RELEASE

**Vyve Broadband Celebrates Teacher Appreciation Week and Names
Ashley Gragg the McAlester Teacher of the Month for April**

*McAlester Voters Honor Community's Outstanding Teacher and
Say "Thank You" to All Local Teachers*

McAlester, OK (May 3, 2018) — Vyve Broadband is excited to celebrate National Teacher Appreciation Week by announcing Ashley Gragg, technology education teacher at Puterbaugh Middle School, as the McAlester April Teacher of the Month. The monthly program honors outstanding teachers in the communities Vyve serves who are chosen by McAlester residents through an online voting process.

The Vyve Teacher of the Month program recognizes teachers who have gone above expectations to create an exceptional learning environment for their students. Vyve takes great pride in recognizing the work of teachers in their communities because many of them are unsung heroes that go unnoticed.

"Vyve is honored to advocate for teachers and proud to be able to shine a light on their invaluable contributions to the lives of their students and their communities," says Diane Quennoz, Vyve SVP, Marketing and Customer Experience. "As we celebrate National Teacher Appreciation Week this week, we want teachers in all communities to know that we appreciate their work and the support, love and time they give to their students. To every teacher in McAlester, thank you!"

National Teacher Appreciation Week is May 6 to 12. Vyve is encouraging students and parents to show appreciation for their teachers by saying "thank you" for their dedication to helping students thrive in and outside of the classroom. Dozens of teachers impact each student's educational journey, whether they helped a student earn a better grade, gave a student encouragement to do better, or were just there when a student needed to talk.

To join Vyve in saying thank you to teachers like Ms. Gragg this National Teacher Appreciation Week for their dedicated service to their students, vote for an exceptional teacher for Teacher of the Month. The Teacher of the Month program has recognized more than 100 teachers in 12 markets Vyve operates.

Vyve will continue the Vyve Teacher of the Month program through the end of the school year and invites the community to visit www.vyvebroadband.com/teacher or www.facebook.com/vyvebroadband to vote for who should be the next teacher of the month. Teachers from any public school in McAlester are eligible, Pre-K through High School. They will receive a Vyve Golden Apple trophy and entered to win an iPad for their classroom.
