Atchison Celebrates 2017 Friday Night Vyve Players of the Week

Vyve Broadband Salutes 10 Honorees From Four Area High Schools

Atchison, KS (December 18, 2017) It was a great year of high school football in Atchison, and Vyve Broadband would like to salute all of this year's Friday Night Vyve Players of the Week winners for outstanding performances throughout the season.

The 2017 Friday Night Vyve Player of the Week Team consists of 10 winners from four high schools including Atchison High School, Atchison County Community, Jefferson County North and Maur Hill-Mount Prep Academy. The team featured six running backs, one quarterback, one wide receiver, one cornerback and one linebacker, and was made up of seven seniors, one junior and two sophomores.

Jefferson County North senior quarterback Ridge Robertson was named Friday Night Vyve Player of the Week three times – after Week 1, Week 3 and Week 7.

“We are very proud to be a part of the Atchison community, and to have presented a Friday Night Vyve Player of the Week each week throughout the season,” said Diane Quennoz, Vyve SVP, Marketing and Customer Experience. “We’d like to thank the Atchison Daily Globe for partnering with us, and most importantly, we want to again congratulate each of our Friday Night Vyve Players of the Week for 2017.

About Vyve Broadband LLC

Vyve Broadband, founded in 2012, is an innovative company serving largely non-urban communities in eight states, including Oklahoma, Texas, Arkansas, Kansas, Louisiana, Tennessee, Georgia and Wyoming. A technology leader in the cable and broadband sectors, Vyve Broadband offers an extensive range of broadband, fiber connectivity, cable television and voice services for commercial and residential customers. Vyve was formed as a platform to provide the very best next-generation services and features available along with a sector-leading customer experience. Residential services include high-speed Internet with speeds up to 1 Gig, all-digital, high-definition video and fully featured digital voice. Vyve Business Services include optical Ethernet, PRI and hosted voice services for the business community.
