**FOR IMMEDIATE RELEASE**

**Vyve Broadband Names Amy Scott Mena  
Teacher of the Month for February**

*Mena Voters Honor Community's Outstanding Teacher*

**Mena, AR** (March 5, 2019) — Vyve Broadband is excited to announce Amy Scott, 4<sup>th</sup> Grade teacher at Holly Harshman Elementary School as the Mena February Teacher of the Month. The monthly program honors outstanding teachers in the communities Vyve serves.

The Vyve Teacher of the Month program recognizes teachers who have gone above expectations to create an exceptional learning environment for their students. Their mentorship and leadership are felt throughout their communities and are essential in the success of each student that comes through their classroom. Scott was chosen by Mena residents through an online voting process.

“Vyve works within local communities to recognize exceptional educators,” says Diane Quennoz, Vyve SVP, Marketing and Customer Experience. “We love acknowledging teachers who go above and beyond for their students and schools to make a difference in future generations. Keep up the great work!”

Vyve will continue the Teacher of the Month program through the end of the school year and invites the community to visit [www.vyvebroadband.com/teacher](http://www.vyvebroadband.com/teacher) or [www.facebook.com/vyvebroadband](http://www.facebook.com/vyvebroadband) to vote for who should be the next teacher of the month. Teachers from any public school in Mena are eligible, Pre-K through High School. They will receive a Vyve Golden Apple trophy and entered to win an iPad for their classroom.

**About Vyve Broadband LLC**

Vyve Broadband is an innovative company, founded in 2012 serving largely non-urban communities in eight states, including Oklahoma, Texas, Arkansas, Kansas, Louisiana, Tennessee, Georgia, and Wyoming. A technology leader in the cable and broadband sectors, Vyve Broadband offers an extensive range of broadband, fiber connectivity, cable television and voice services for commercial and residential customers. Vyve was formed as a platform to provide the very best next-generation services and features available, combined with a sector-leading customer experience. Residential services include high-speed Internet with speeds up to 1GB, all-digital, high-definition video and fully featured digital voice. Vyve Business Services provides optical Ethernet, PRI and hosted voice services to the business community.
