

Inbound Sales Representative

Vyve Broadband, founded in 2012, is an innovative company serving largely non-urban communities in eight states, including Oklahoma, Texas, Arkansas, Kansas, Louisiana, Tennessee, Georgia and Wyoming. A technology leader in the cable and broadband sectors, Vyve Broadband offers an extensive range of broadband, fiber connectivity, cable television and voice services for commercial and residential customers. Vyve was formed as a platform to provide the very best next-generation services and features available, along with a sector-leading customer experience. Residential services include high-speed Internet with speeds up to 1 Gig, all-digital, high-definition video and fully featured digital voice. Vyve Business Services include optical Ethernet, PRI and hosted voice services for the business community.

The ISR serves as the primary point of contact via telephone with customers, expected to create and close sales opportunities on every call, regardless of customer intent. The ISR is accountable to achieving daily, weekly, and/or monthly sales goals. Individuals in this position understand the complete line-up of Vyve products and their value to the customer. The ISR routinely answers inbound calls and performs at multiple task levels with computer and software applications for 8 to 10 hours per day while in a seated position.
