**FOR IMMEDIATE RELEASE**

**Vyve Broadband Names Tyler Harrison Shawnee Teacher of the Month for October**

*Shawnee Voters Honor Community's Outstanding Teacher*

**Shawnee, OK** (November 20, 2017) — Vyve Broadband is thrilled to announce Tyler Harrison, physical education teacher at Sequoyah Elementary School as the October Teacher of the Month in their annual program honoring outstanding teachers in the community.

The Vyve Teacher of the Month program recognizes teachers who have proven to be champions of the classroom and stewards of their community through their teaching, mentorship and leadership. Harrison was chosen by Shawnee residents through an online voting process.

“Our communities are very important to us, and nothing ties a community together like its schools,” said Diane Quennoz, Vyve SVP, Marketing and Customer Experience. “So we are thrilled to recognize outstanding teachers like Tyler Harrison who go above and beyond to make a real difference in our students’ lives.”

Vyve will continue the program for nine months, through the end of the school year, inviting the community to visit [www.vyvebroadband.com/teacher](http://www.vyvebroadband.com/teacher) or [www.facebook.com/vyvebroadband](http://www.facebook.com/vyvebroadband) to vote for who should be the teacher of the month. Teachers from any public school in Shawnee are eligible, Pre-K through High School. They will receive a Vyve Golden Apple trophy and entered to win an iPad for their classroom.

**About Vyve Broadband LLC**

Vyve Broadband is an innovative company, founded in 2012 serving largely non-urban communities in eight states, including Oklahoma, Texas, Arkansas, Kansas, Louisiana, Tennessee, Georgia, and Wyoming. A technology leader in the cable and broadband sectors, Vyve Broadband offers an extensive range of broadband, fiber connectivity, cable television and voice services for commercial and residential customers. Vyve was formed as a platform to provide the very best next-generation services and features available, combined with a sector-leading customer experience. Residential services include high-speed Internet with speeds up to 1GB, all-digital, high-definition video and fully featured digital voice. Vyve Business Services provides optical Ethernet, PRI and hosted voice services to the business community.
