FOR IMMEDIATE RELEASE

Vyve Broadband Is the Official Communications Provider For 10th Annual Owlfest

Vyve Providing Free WiFi, Free All-Digital HD TV For Razorbacks Game, Free Phone Service, Plus Contests and Activities All Weekend

McGehee, AR (October 12, 2016) — Vyve Broadband is celebrating Owlfest with all of McGehee in a big way as a Platinum Sponsor this weekend.

As a Platinum Sponsor, and the Official Communications Provider of Owlfest, Vyve will be providing its full compliment of services FREE throughout the event. FREE WiFi will be available for all Owlfest attendees all day long. Vyve will broadcast the Arkansas-Ole Miss game in All-Digital HD, and you can make FREE nationwide phone calls at the Vyve booth throughout the day in case your cell battery is running low.

While at the booth, enter to win one of 10 fabulous Owlfest prizes. Vyve is celebrating the 10th anniversary of Owlfest with 10 prizes to be announced at Vyve O'clock each hour by Mayor Owyong. Stop by the booth and enter to win a Kindle, iPad and Apple Watch among others.

Vyve knows the celebrating starts long before Saturday. As a season-long sponsor of Owl football, Vyve will kickoff the activities during the Homecoming game against Fouke Friday night. Friday Night Vyve will include a halftime field goal kicking contest for prizes, featuring three lucky fans selected at the Pep Rally, cheerleaders throwing mini footballs into the stands throughout the game, and of course the Vyve Defensive Player of the Game award.

"We are honored and excited to be a part of the McGehee community and proud to be a Platinum Sponsor and Official Communications Provider of the 10th Annual Owlfest," said Vyve Broadband CEO Jeffrey S. DeMond. "We are very committed to the communities we serve and are always looking for ways to partner with those communities for all their communications needs."

As McGehee celebrates Owlfest, Vyve celebrates McGehee with a 10th Anniversary party for the ages, and the fastest Internet, the best voice, and All-Digital HD TV in the market.

Owlfest and Vyve - You'd be wise to check them out.

About Vyve Broadband LLC

Vyve Broadband is an innovative company, founded in 2012 serving largely non-urban communities in nine states, including Oklahoma, Texas, Arkansas, Kansas, Louisiana, Tennessee, Georgia, Colorado and Wyoming. A technology leader in the cable and broadband sectors, Vyve Broadband offers an extensive range of broadband, fiber connectivity, cable television and voice services for commercial and residential customers. Vyve was formed as a platform to provide the very best next-generation services and features available, combined with a sector-leading customer experience. Residential services include high-speed Internet with speeds up to 1GB, all-digital, high-definition video and fully featured digital voice. Vyve Business Services provides optical Ethernet, PRI and hosted voice services to the business community.
