FOR IMMEDIATE RELEASE

Shawnee Celebrates 2017 Friday Night Vyve Players of the Week

Vyve Broadband Salutes 11 Honorees From Two Area High Schools

Shawnee, OK (December 18, 2017) It was a great year of high school football in Shawnee, and Vyve Broadband would like to salute all of this year's Friday Night Vyve Players of the Week winners for outstanding performances throughout the season.

The 2017 Shawnee Friday Night Vyve Player of the Week Team consists of 11 winners from two high schools, Shawnee High School and Tecumseh High School. The team featured four quarterbacks, three wide receivers, one running back, two cornerbacks and one defensive end, and was made up of five seniors, four juniors and two sophomores.

Shawnee quarterback Heath Hunter was named Friday Night Vyve Player of the Week three times – after Week 6, Week 8 and Week 9, while teammates, wide receiver Scout Cawvey (Weeks 1 and 10) and cornerback Austin Wood (Weeks 3 and 7) were each named twice.

“We are very proud to be a part of the Shawnee community, and to have presented a Friday Night Vyve Player of the Week each week throughout the season,” said Diane Quennoz, Vyve SVP, Marketing and Customer Experience. “We’d like to thank the Shawnee News-Star for partnering with us, and most importantly, we want to again congratulate each of our Friday Night Vyve Players of the Week for 2017.”

About Vyve Broadband LLC

Vyve Broadband, founded in 2012, is an innovative company serving largely non-urban communities in eight states, including Oklahoma, Texas, Arkansas, Kansas, Louisiana, Tennessee, Georgia and Wyoming. A technology leader in the cable and broadband sectors, Vyve Broadband offers an extensive range of broadband, fiber connectivity, cable television and voice services for commercial and residential customers. Vyve was formed as a platform to provide the very best next-generation services and features available along with a sector-leading customer experience. Residential services include high-speed Internet with speeds up to 1 Gig, all-digital, high-definition video and fully featured digital voice. Vyve Business Services include optical Ethernet, PRI and hosted voice services for the business community.
