ART CONTEST
* 2018 *

Calling all kids!

'Tis the season to get super creative and win with our fourth annual Christmas Card Art Contest!

This year's theme is Christmas Spirit. Kids, ages 3-12, can submit a drawing, a painting or a work of art they made with everyday objects, like macaroni, twigs, or fabric - traditional images, like a Christmas tree or a gift, winter wonderlands, religious scenes, family gatherings, snowmen and Santa ... wherever their imaginations take them when they think of Christmas! Entries will be judged by a panel of artists at a prestigious advertising agency.

Win an iPad mini and see your art used in the design of the official 2018 Vyve Christmas card!

Teachers

Win a Cookies & Cocoa party for your school, plus \$200 in art supplies!
