ART CONTEST  
\* 2021 \*

# Calling all kids!

'Tis the season to get super creative and win with our fourth annual Christmas Card Art Contest!

This year's theme is Christmas Spirit. Kids, ages 5-12, can submit a drawing, a painting or a work of art they made with everyday objects, like macaroni, twigs, or fabric - traditional images, like a Christmas tree or a gift, winter wonderlands, religious scenes, family gatherings, snowmen and Santa ... wherever their imaginations take them when they think of Christmas! Entries will be judged by a panel of artists at a prestigious advertising agency.

## Kids

Win an iPad Pro and see your art used in the design of the official 2021 Vyve Christmas card!

## Teachers

## Entry forms
